Who We Are

St. Thomas is an inviting and friendly Community that welcomes all people to our church family. We believe that Holy Scripture is the inspired Word of God, and that God speaks to us in Scripture through the leading of the Holy Spirit. We place our faith in our Lord Jesus Christ as the author of salvation, and the way to eternal life.

Our ministries emphasize care and concern for each other within the congregation, and help for those in the surrounding community who are less fortunate than many of us. We make a special effort to reach out to young people and include them in parish life. All members of the church are encouraged to participate in liturgy, discipleship, outreach, teaching, evangelism, and other activities of the church.

In thanksgiving for the gifts we have received from God, we believe we are called to share them with the church and community as a spiritual discipline that helps us to live increasingly holy lives.
